We have learned of an organization called the Idaho Veterans Assistance Program, Inc. We at the Idaho Division of Veteran Services do not recognize nor endorse such. Citizens are encouraged to be wary of any organization soliciting monies for the purpose of assisting veterans and should perform their due diligence.

For decades the Idaho State Veteran Homes have been served honorably by the Idaho Veterans Assistance League (IVAL) whose mission is serving veterans residing in our State operated Veterans Homes. The Idaho Veterans Assistance League (IVAL) should not be confused with the program mentioned above.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Brasuell", written over a horizontal line.

David E. Brasuell, Administrator

Idaho Division of Veterans Services
